THROUGH : DD/Pers/P&C

SUBJECT : OP History Project - CIA Recruitment,
1947-1970

1. Attached are the Support Services Historical Officer's suggestions on the first draft of the referent project together with the editorial comments which he has noted on that draft. As I have learned to expect, [REDACTED] has done a very thorough job.

2. It seems to me that his questions and editorial suggestions are quite sound and should be helpful in preparing a redraft for final editing. Please plan to return the redraft to [REDACTED] through me.

3. With the benefit of [REDACTED] contributions, it would seem reasonable to expect completion of the redraft by 26 March 1971. Please call me if that deadline is too short.
